KCT Mall

Introduction

During FY2026, KCT Group placed increased focus on its ESG priorities, with particular emphasis on social impact initiatives aligned with the mandate of the Khayelitsha Community Trust: the upliftment of the people of Khayelitsha.

Through its subsidiary, KBD Retail Properties, which holds the investment property KCT Mall, the Group focused significantly on supporting vulnerable members of the community, with key interventions centred on education and community safety.

KCT's focus on education is rooted in the belief that education is a fundamental driver of sustainable change and can create opportunities for individuals and communities to build better futures. Equally, a safe and secure environment is essential for communities to thrive and creates the conditions for investment, employment and entrepreneurial opportunities to flourish within Khayelitsha.

The initiatives implemented by KCT Group have contributed to tangible social value across Khayelitsha, with key areas of impact including:

- Education infrastructure development
- Schools and scholar support
- Community safety and Public Protective Safety
- Local supplier participation
- Employment creation
- Public-private partnerships
- Community sponsorships
- Youth development
- Local economic stimulation

Education Infrastructure Support

On 27 May 2026, KCT successfully handed over two fully equipped Grade R classroom units to Luleka Primary School, together with the releveling and repaving of the school's entrance area using recycled paving from KCT Mall.

The intervention was aimed at reducing classroom overcrowding, improving learner distribution and strengthening educational outcomes within the Foundation Phase.

Key Outcomes:

- Additional classroom capacity created
- Allocation of two permanent educators by the Department of Basic Education
- Improved learner-to-teacher ratios
- Enhanced learning environment and teaching effectiveness

The intervention was implemented through collaborative partnerships involving KCT, Luleka Primary School, the Department of Education (DoE), the Khayelitsha Development Forum (KDF), SADTU and various community stakeholders.

School leadership has welcomed the investment as a critical enabler of improved learner outcomes, noting that reduced class sizes directly support more personalised learning, improved learner engagement, and improved academic performance.

Schools and Scholar support

KCT continued to strengthen its commitment to education through a range of initiatives aimed at supporting schools, learners and educators across Khayelitsha.

These included:

- Provision of educational resources and equipment
- Support for weekend learner enrichment initiatives
- Holiday educational development programmes
- Emergency assistance to learners affected by unforeseen circumstances

KCT donated 20 executive chairs to Chuma Primary School for its staffroom,

Bulumko Senior Secondary School received 80 school desks and classroom chairs. as part of the initiative

Ongoing nutritional support for weekend academic programmes has also been provided by KCT at Bulumko Senior Secondary School, Sangweni Senior Secondary School, Luleka Primary School and Zola Business School. This support has assisted in cultivating a supportive environment for learners participating in these additional academic programmes.

Schools and Scholar support cont.

Following a fire at Homba Primary School, KCT provided emergency relief assistance to 861 affected learners, supplying school shoes and stationery to help them return to their studies with essential school supplies.

These initiatives were implemented in collaboration with a number of community stakeholders, including SANCO Branch Executive Members, Ward Councillors and Religious Forum Chairperson Prophet Hector Mafilika, demonstrating a collective commitment to educational access, learner wellbeing and community development.

In line with KCT's focus on education and youth development within Khayelitsha, a variety of NPO-led programmes have also received support, including Teachmailing Women Projects' annual Readathon School Competition and the Kisima Radio Youth Programme, which focuses on self-development and targeted youth support initiatives.

Together, these interventions reflect KCT's continued investment in creating stronger educational environments, supporting learners beyond the classroom and contributing to the broader development of young people within the Khayelitsha community.

Community Safety and Public Protection Initiatives

The community safety programme prioritises the protection of vulnerable commuters, including workers and school-going children who travel during the early morning hours under challenging and often unsafe conditions.

The programme focuses on strengthening safety and visibility along key commuter routes and areas where residents are most vulnerable, while supporting community structures involved in public safety.

Key Focus Areas:

- Taxi ranks
- Bus stations
- Pedestrian routes and crossings
- High-risk commuter corridors

On 27 May 2026, KCT launched the CPF Khayelitsha Programme through the Corporate Services Division under the Office of the Chief Executive Officer. As part of the launch, four community safety trailers, communication radios and protective equipment were handed over to SAPS to support CPF operations.

Key Interventions:

- Donation of four community safety trailers
- Provision of protective equipment for volunteers
- Provision of incident booklets
- Provision of communication radios to support operational effectiveness
- Stipends for CPF volunteers

The initiative is strengthened through a collaborative public safety network involving the CPF, South African Police Services, community leadership structures, transport stakeholders and local neighbourhood watches. Together, these partners support improved visibility, coordinated escort assistance and enhanced responsiveness in high-risk areas, contributing to safer mobility for residents across Khayelitsha.

The CPF Khayelitsha Programme forms part of a wider integrated development ecosystem in which government, civil society and the private-sector work together to contribute to public safety and social resilience.

Disaster Relief Support

KCT has provided financial and material assistance to communities across Khayelitsha affected by flooding and shack fires, supporting families during times of crisis and helping them meet immediate needs and begin the process of recovery.

Key Focus Areas:

- Emergency Relief – providing essential items to families affected by disasters.
- Family Wellbeing – providing sanitary and personal care items to families in need.
- Recovery and Restoration – supporting affected families with building materials to assist with the restoration of their homes.

Key Interventions:

- Blankets for families affected by floods and fires
- Sanitary kits for families affected by shack fires
- Building materials to support the restoration of homes affected by shack fires

Children and Elderly Support

As part of KCT Group's key social impact focus areas, the organisation continued to support young children and elderly residents within Khayelitsha, with initiatives focused on nutrition, basic needs, youth development, community participation and social wellbeing.

Key Focus Areas:

- Support for the Elderly
- Child Nutrition and Wellbeing
- Youth Development
- Education and Literacy
- Community Outreach and Engagement

Support for the Elderly

KCT contributed towards initiatives aimed at supporting the wellbeing and dignity of elderly residents within the community.

Support included:

- Winter scarves and hats
- Two-burner gas stoves for elderly households
- Senior Citizens Year-End Luncheon

Support for Young Children and Youth

KCT partnered with a range of community organisations and NPOs to support initiatives focused on nutrition, education, development and youth engagement.

Through its partnership with Eyardini Community Development NPC, KCT supported the expansion of nutrition programmes providing cooked meals to elderly residents and young children from impoverished backgrounds, as well as warm soup and bread at clinic queues. Nutritional support was also extended to elderly residents participating in beading programmes.

KCT further assisted Eyardini Community Development with materials for community vegetable gardens, supporting local food production and community-based food security initiatives.

Children and Elderly Support cont.

Additional youth and educational initiatives supported during the year included:

- Outreach programmes in partnership with NPOs such as Molo Mhlaba
- Readathon School Competition in partnership with Teachmailing Women Projects
- Khayelitsha Got Talent
- Youth Day activities at KCT Mall

Together, these initiatives demonstrate KCT Group's continued commitment to supporting vulnerable community members across different stages of life, while contributing to nutrition, education, youth development and social wellbeing within Khayelitsha.

Sports and Cultural Events

KCT continued to support sports, cultural and community engagement initiatives across Khayelitsha, recognising their role in promoting community participation, social cohesion, health and wellbeing.

Key Focus Areas:

- Sports and Active Living
- Cultural Heritage and Identity
- Community Participation and Social Cohesion
- Brand Engagement and Positioning

Key Initiatives:

- KCT Fun Run
- Khayelitsha Seniors Netball Tournament, brings together senior teams representing provinces across SA
- Khayelitsha Heritage Council initiatives

These initiatives were delivered in partnership with key community stakeholders and formed part of KCT Group and KCT Mall's broader brand positioning strategy. Activities incorporated key KCT Group brand messaging, enabling the organisation to strengthen its connection with the community while creating opportunities for meaningful engagement beyond the shopping environment.

Together, these initiatives demonstrate KCT's commitment to using sport, culture and community engagement as platforms for building stronger relationships with residents and reinforcing its role as an active partner in the Khayelitsha community.

The Power of Public - Private Partnerships

The educational and community safety interventions undertaken during the reporting period demonstrate the transformative value of public-private partnerships in addressing socio-economic challenges.

Through collaboration between KCT, educational institutions, community organisations, government departments, law enforcement agencies and civil society partners, sustainable developmental outcomes continue to be achieved.

These partnerships facilitate:

- Resource mobilisation
- Institutional collaboration
- Enhanced community upliftment
- Shared accountability
- Sustainable community development
